

REMARKS

The Applicant has noticed a minor typographical error in one of the claims, and respectfully requests entry of this Amendment after Notice of Allowance to address this formal issue. Entry of this Amendment After Notice of Allowance is believed to be appropriate as it does not change the substantive scope of the claims.

Claims 1-30 are allowed.

Claim 22 is amended.

The Applicant has noticed that claim 22 introduces “a network protocol stack” in lines 1- 2, but then refers to “said network protocol” in line 7. The word “stack” was inadvertently omitted. Accordingly, the Applicant herein corrects this minor typographical error. The substantive scope of the claims is not changed, and it is believed that the meaning of the claims was clear despite the minor typographical error.

In the event that the Examiner deems personal contact desirable in disposition of this case, the Examiner is encouraged to call the undersigned attorney at (617) 951-2500.

In summary, all the independent claims are believed to be in condition for allowance and therefore all dependent claims that depend there from are believed to be in condition for allowance. The Applicant respectfully solicits favorable action.

Please charge any additional fee occasioned by this paper to our Deposit Account No. 03-1237.

Respectfully submitted,
